

Poké Lids in Toyama Tour Map

Let's go find them all!

Inkay Poké Lid

The design of this utility hole cover features the Pokémon Inkay, which communicates with others by emitting different patterns of light from its luminescent spots. The background illustrates a scene incorporating the Tenmon Bridge in Fugan Canal Kansui Park.

Toyama Station

10 min. walk

Fugan Canal Kansui Park

Ledyba & Comfey Poké Lid

The design of this utility hole cover features Ledyba, the Five-Star Pokémon, and Comfey, the Posy Picker Pokémon, as though inviting visitors to join them as they stroll through the lush greenery and flowers of the Castle Park.

Toyama Station

8 min. by City Tram Loop Line

Toyama Castle Park

Absol Poké Lid

The design of this utility hole cover features Absol, a Pokémon said to live in a harsh, rugged mountain environment.

Toyama Station

4 min. by Ainokaze Toyama Railway

Kureha Station
