

# Landslide Hazard Map

Toyama City 22 Osawano Area Funakura District 2

### Timing of evacuation actions to protect yourself

Evacuation information issued by the city and disaster prevention weather information issued by the national and prefectural governments are divided into five levels so that residents can understand the risk of disaster occurrence and take appropriate evacuation actions.

Alert levels	1	2	3	4	5
Alert levels	1	2	3	4	5
Evacuation information etc.	Early warning information (Probability of warnings)	Heavy Rain Advisory Flood Advisory	Evacuation of the elderly, etc.	Evacuation order	Emergency Safety Measures
Evacuation actions	Meteorological information (Issued by the JMA)		Evacuation information (Issued by Toyama City)		
Timing	Evacuation is recommended		Evacuation is recommended	Evacuation is recommended	Evacuation is not recommended.
Priority	Evacuation is recommended		Voluntary evacuation	Evacuation is recommended	Act to protect yourself
Evacuation shelters	Make a note of the evacuation shelters		Safe emergency evacuation shelters that have been set up etc.		
	Low		Disaster Risks		
			High		

\*1 People who take time to evacuate: Includes the elderly and people with disabilities, etc.  
\*2 Evacuation is recommended: Timing with a low risk of disaster. Evacuation is not recommended: There is a high possibility that a disaster has occurred, safe evacuation is impossible.  
\*3 Move to a room as far away from the cliff as possible or to a nearby solid building.

### If you observe signs of landslide.

If you observe signs of landslide.

Evacuate outside Sediment Disaster Hazard Areas

Evacuate to a safe place such as a designated emergency shelters\*

Contact the Toyama City Hall and Civil engineering office

\*Let's consider how to evacuate to places other than those designated by Toyama City, such as relatives or acquaintances' houses in safe places.

### List of Facilities

Facility Name	Address	Phone Number
Funakura Elementary School	1733 Sakamoto	076-468-2652
Toyama Special Support High School	2600 Sakamoto	076-467-5560
Funakura Community Hall	482 Sakamoto	076-468-1519
Sarukura Community Center	81-1 Funashin	076-467-0467
Sasazu Hall	495 Sasazu	076-467-0153
Nishisazuru Village Center	258 Nishi-Sasazu	—
