

Landslide Hazard Map

Toyama City 36 Yatsuo Area Sugihara District

If you observe signs of landslide.

If you observe signs of landslide.

Evacuate outside Sediment Disaster Hazard Areas

Evacuate to a safe place such as a designated emergency shelters*

Contact the Toyama City Hall and Civil engineering office

*Let's consider how to evacuate to places other than those designated by Toyama City, such as relatives or acquaintances' houses in safe places.

Timing of evacuation actions to protect yourself

Alert levels (Evacuation information etc.) Evacuation information issued by the city and disaster prevention weather information issued by the national and prefectural governments are divided into five levels so that residents can understand the risk of disaster occurrence and take appropriate evacuation actions.

Alert levels	1	2	3	4	5
Evacuation information etc.	Early warning information (Probability of warnings)	Heavy Rain Advisory Flood Advisory	Evacuation of the elderly, etc.	Evacuation order	Emergency Safety Measures
Evacuation actions	Meteorological information (Issued by the JMA)	Evacuation information (Issued by Toyama City)			Be sure to evacuate by Alert Level 4
Timing		Evacuation is recommended	Voluntary evacuation	Evacuation is recommended	Evacuation is not recommended. Act to protect yourself! *2
Priority		People who take time to evacuate*1	Others		
Evacuation shelters	Make a note of the evacuation shelters	Safe emergency evacuation shelters that have been set up etc.			To a safer place *3
	Low	Disaster Risks			High

*1 People who take time to evacuate: Includes the elderly and people with disabilities, etc.
*2 Evacuation is recommended: Timing with a low risks of disaster. Evacuation is not recommended: There is a high possibility that a disaster has occurred, safe evacuation is impossible.
*3 Move to a room as far away from the cliff as possible or to a nearby solid building.

List of Facilities

Facility Name	Address	Phone Number
Sugihara Elementary School	3636 Yatsuomachi-Kuroda	076-455-1313
Sugihara Community Hall	12 Yatsuomachi-Osugi	076-455-2570
Yatsuo Junior High School	120-1 Yatsuomachi-Ida	076-461-7468
Yatsuo Sports Arena	101 Yatsuomachi-Ida	076-455-1222
Yatsuo Community Center	126 Yatsuomachi-Ida	076-454-6555
Former Kashio Elementary School	349 Yatsuomachi-Konagatani	—
Kurozedani Community Hall	352 Yatsuomachi-Konagatani	076-455-1074
Former Kurozedani Community Hall	162 Yatsuomachi-Kashio	—

How to read this map

- Designated emergency shelters
- Emergency helpport
- Facilities for people requiring special care
- Emergency wireless system
- District border
- Main Roads (National Route-Prefectural Road etc.)
- Main Roads through hazardous areas (National Route-Prefectural Road etc.)
- Evacuation direction
- 1 km mesh (From Risk Map of the Toyama Prefecture Landslide Alert Information Support System. Mesh number (8 digits))
- Landslide Area (collapse of land on steep slopes) Special Alert Area
- Mudslide Special Alert Area
- Landslide
- Estimated direction of sediment flow

Estimated distance to proceed in 5 minutes

Persons requiring special care Others

*Since the time is based on normal walking speed, it may change at night or road conditions.
