

Landslide Hazard Map

Toyama City ㉔ Yatsuo Area Yatsuo District 6

Timing of evacuation actions to protect yourself

Evacuation information issued by the city and disaster prevention weather information issued by the national and prefectural governments are divided into five levels so that residents can understand the risk of disaster occurrence and take appropriate evacuation actions.

Alert levels (Evacuation information etc.)	1	2	3	4	5
Alert levels	Early warning information (Probability of warnings)	Heavy Rain Advisory Flood Advisory	Evacuation of the elderly, etc.	Evacuation order	Emergency Safety Measures
Evacuation information etc.	Meteorological information (Issued by the JMA)	Evacuation information (Issued by Toyama City)			Be sure to evacuate by Alert Level 4
Evacuation actions		Evacuation is recommended	Voluntary evacuation	Evacuation is recommended ^{*2}	Evacuation is not recommended. Act to protect yourself! ^{*2}
Timing					
Priority					
Evacuation shelters	Make a note of the evacuation shelters	Safe emergency evacuation shelters that have been set up etc.			To a safer place ^{*3}
	Low				High

^{*1} People who take time to evacuate: Includes the elderly and people with disabilities, etc.
^{*2} Evacuation is recommended: Timing with a low risk of disaster. Evacuation is not recommended: There is a high possibility that a disaster has occurred, safe evacuation is impossible.
^{*3} Move to a room as far away from the cliff as possible or to a nearby solid building.

If you observe signs of landslide.

If you observe signs of landslide.

Evacuate outside Sediment Disaster Hazard Areas

Evacuate to a safe place such as a designated emergency shelters^{*}

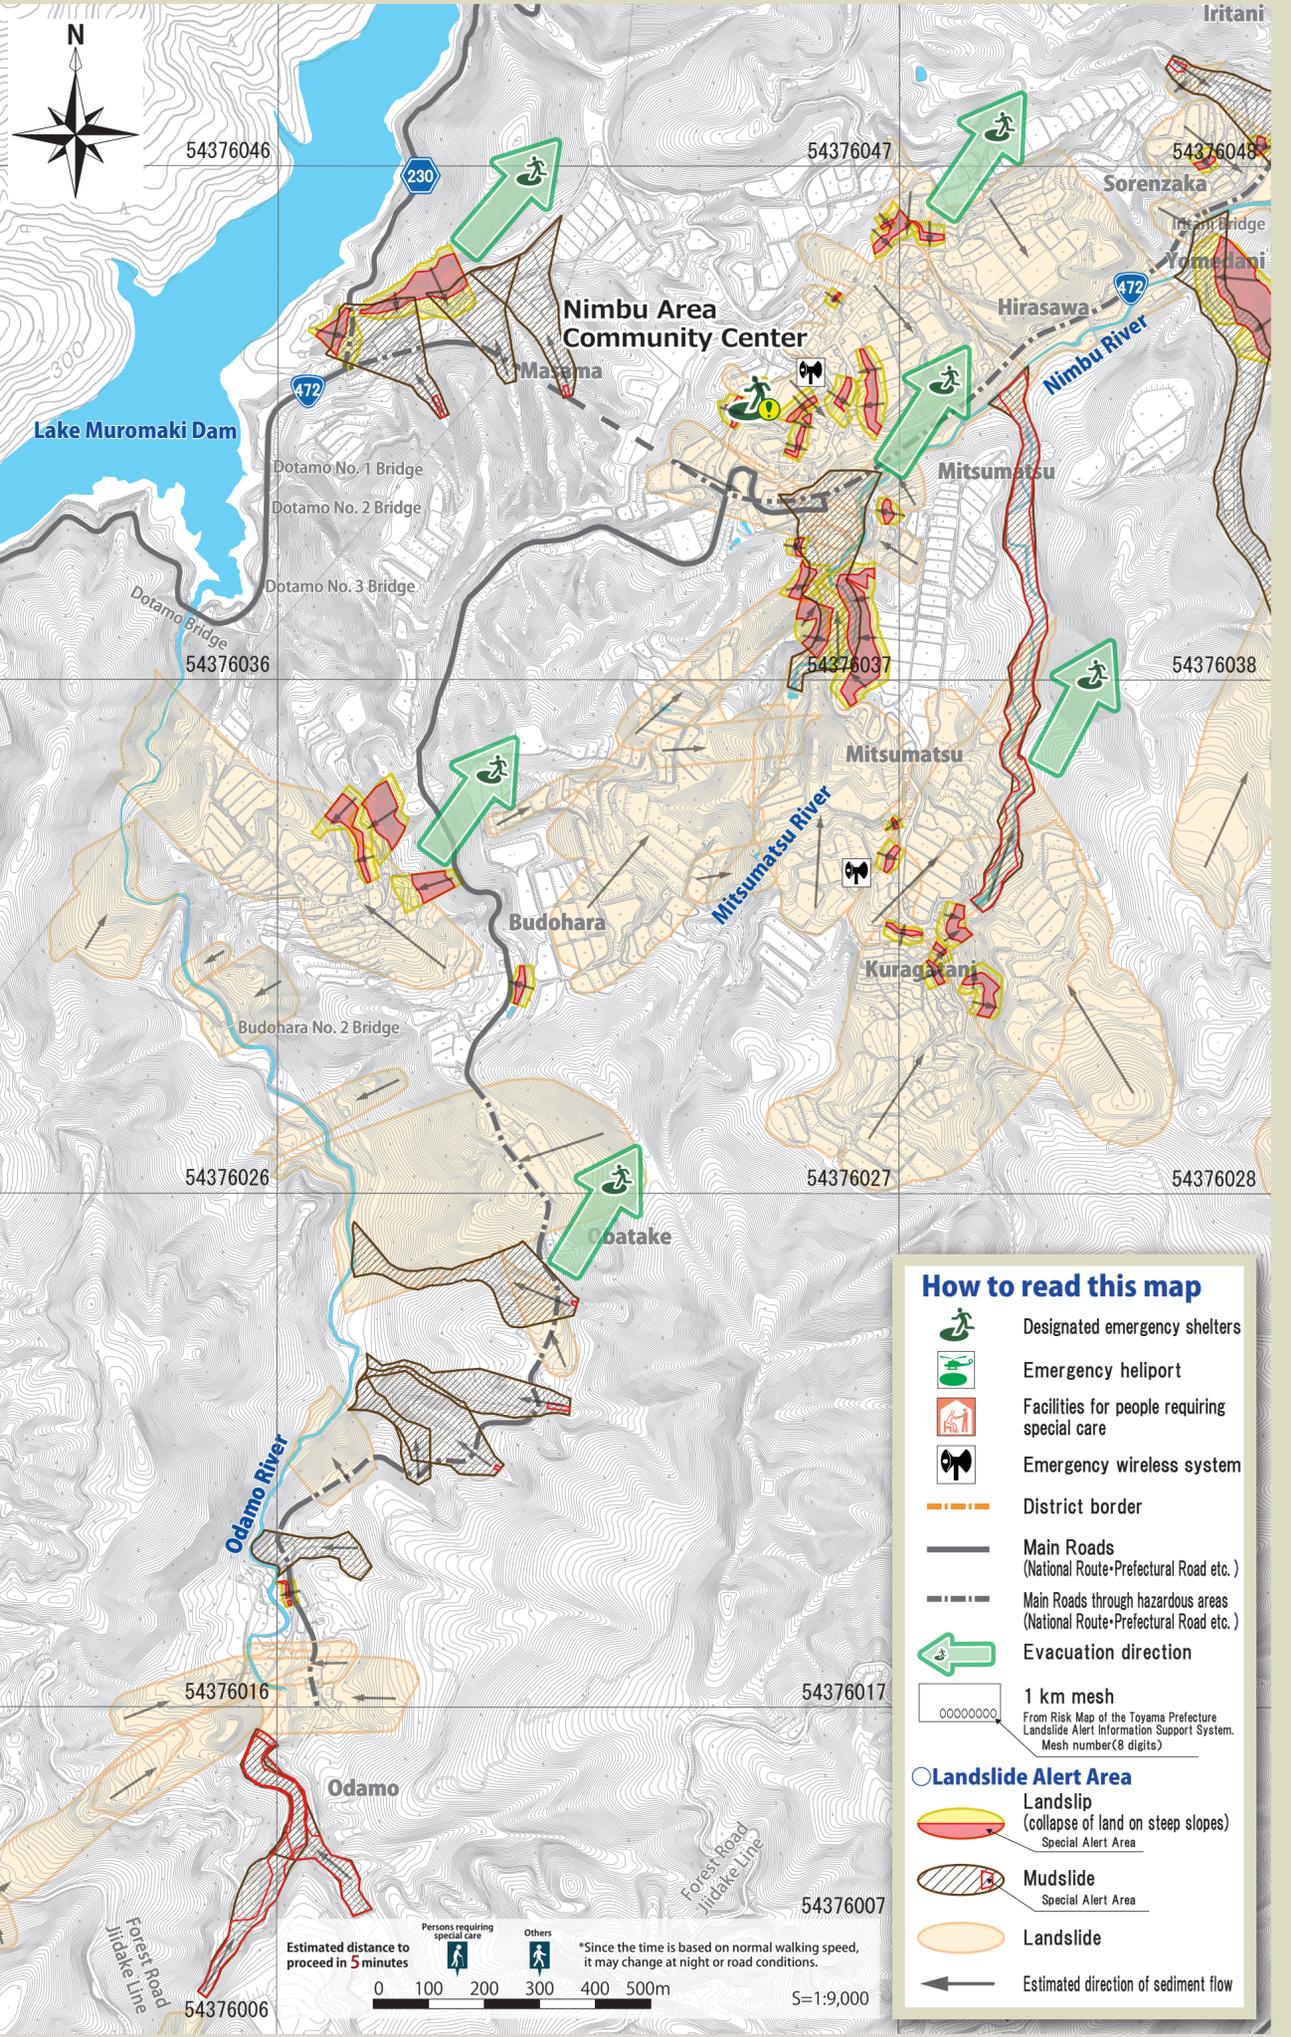

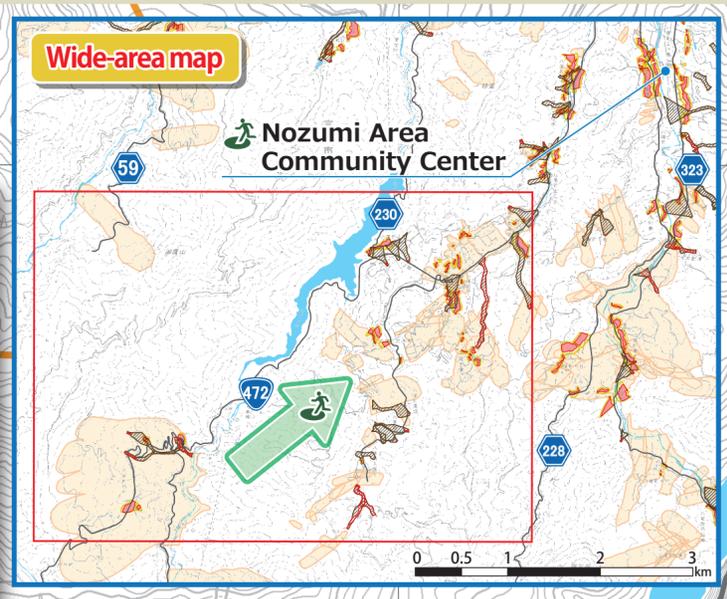

Contact the Toyama City Hall and Civil engineering office

^{*}Let's consider how to evacuate to places other than those designated by Toyama City, such as relatives or acquaintances' houses in safe places.

List of Facilities

Facility Name	Address	Phone Number
Nimbu Area Community Center	14-1 Yatsuomachi-Mitsumatsu	076-458-1101
Nozumi Area Community Center	242 Yatsuomachi-Minakuchi	076-454-3001
